

## Tarabicos Grosso Welcomes Back Kristina Bensley

The partners of Tarabicos Grosso, LLP are pleased to announce the addition of the newest member of our growing practice, Kristina G. Bensley. Kristina graduated, magna cum laude, from Delaware Law School in May 2017\* and was ranked third in her class. She will be working with the firm's partners on a wide range of land use, zoning, transactional real estate, and financing matters.

Prior to her graduation from law school, Kristina worked as a senior paralegal in the firm's transactional real estate group and gained valuable exposure to the firm's practice areas, projects, and clients. Drawing on that experience, Kristina brings a keen intelligence, diligent work ethic, and excellent analytical skills to her new role.

We are fortunate and excited to have Kristina return to the firm to continue her legal career, and we look forward to what will undoubtedly be her many positive contributions to new and exciting projects for the firm and our clients in 2017 and beyond!

\*Not yet admitted to the Delaware Bar.
